While we at NYS AFLT recognize that many districts are going through difficult financial times, we can't stress enough the importance of staying professionally connected. Even if your district can't support you, please consider treating yourself to an amazing professional development experience!

- Choose from over 100 workshops, pre- and post-conference sessions!
- Earn a certificate for up to 18 clock hours of attendance! (Note: be sure to check your school district's in-service policy.)
- Network with colleagues from around the state!
- Refresh and reenergize yourself professionally!
- Register today and beat the crowds!
